

Group presentation 1

GP1

As part of service design

Deadline

- **Opens: Wednesday, 10 September 2025, 4:00 PM**
- **Due: Wednesday, 1 October 2025, 11:59 PM**
 - Moodle won't accept late submissions. Remember, there is no exception after the deadline has expired. If there is anything hindering you from submitting, contact me in advance.
 - Rather submit earlier 😊

Group presentation 1

- Prepare a video (**minimum** 1 minute / **maximum** 3 minutes)
- Use the service you explored in the service safari as an example
- Answer the question: What is a service?
 - Think of it as something you'd like to show to next year's Service Design students for the first topic of the course
 - How would you explain to them what a service is, using your service safari example?
- **The presentation can be fun!**
- Use what you have learned so far in the first three lectures and the analysis reported in **GP1**
- You don't need to cover everything; choose what you think is most important
