

Group report 1

GR1

As part of service design

Deadline

- **Opens: Wednesday, 10 September 2025, 4:00 PM**
- **Due: Wednesday, 1 October 2025, 11:59 PM**
 - Moodle won't accept late submissions. Remember, there is no exception after the deadline has expired. If there is anything hindering you from submitting, contact me in advance.
 - Rather submit earlier 😊

Group report 1

- Write a short report (4–5 A4 pages including images) on the service safari you did
- Make use of the tutorial exercises from weeks 2 and 3 (you can edit and modify them)

Content of the report (page 1)

- Group number and names of group members
- Name of service explored in the service safari
- AI statement (not included in the page limit)

Group report 1

1) The Service

- Name of the service
- Who is/are the service provider(s)?
- What is the value proposition as presented by the service provider(s)?
- What is/are the service offering(s)?
- Is the service offering focusing on Care, Access, Response?
- Is it a pure service or a service-product hybrid?
 - If hybrid: is it predominantly product, half-half, or predominantly service?
 - What are the main products involved?
- Is it a digitalized service?
 - If yes, what was it before digitalization?
 - What makes it a digitalized service?

Group report 1

2) The Service Safari

- What documentation methods did you use?
- Who was responsible for what in your group?
- What was your process of using the service?
- Were you skilled users, normal users, or special-needs users during the safari?
- Add key documentation with captions:
 - Pictures or screenshots you took
 - Short explanatory text to describe them
 - Document how you started and ended your journey
- Highlight what worked well and what did not work well

Group report 1

3) Analysis of the Service

- Who are the key actors (people, technologies, organisations) involved in providing, delivering, and using the service?
- Which actors do you directly interact with?
- How are actors involved in co-creating value?
 - What resources, skills, or knowledge do they bring?
- What is the key interaction space for this service?
- What happens in the Relationship, Matching, and Service layers of the interaction space?
- Are Relationship value, Matching value, and Service value high or low in your experience of the service safari?
- What was your personal and subjective perception of the service?
 - Did the value proposition match your needs?
- Online search:
 - Do you find information on whether the providers use IaaS, PaaS, or SaaS for the technology?

Group report 1

5) Group Reflection

- Write a short reflection:
 - What did you learn from using the service safari method?
 - What did you find missing in this method to best understand a service?

6) Optional extras

- You may add extra content as an Appendix (e.g., pictures, sketches from your service safari)
- Do not rely on the Appendix for crucial information
- If you use an Appendix, refer to it in the main report text
 - Example: “For more pictures from the Service Safari, please refer to the Appendix.”
- Remember to add the AI statement at the beginning of the report

Missing AI statement will cause the report to fail

Grading

GR1	Submitted a report with all required parts	Appropriate length (4–5 pages)	Answered <u>all</u> questions	or	General clarity of report
				Answered between half and all questions	
Impact on grade	+1	+1	+2	+1	+1
